G4K Christmas Distribution: Edgerton families that participate in the G4K Christmas distribution receive gift items for their children birth to 5th grade plus a family care bag (filled with items that are often left off the family shopping list at Christmastime). G4K goal is to make sure every Edgerton child has a merry & bright Christmas filled with joy! The Giving Tree (a ECO program) is designed for children 6th to 12th grade. **Sign up NOW at Edgerton Outreach / 106 South Main / Edgerton.**

Weekend Grub Club (WGC): The WGC was launched in early 2018 when G4K donated \$2400 and since day 1, G4K continues to support this child focused program. The WGC provides children with food for the weekend thanks to our leaders, volunteers & donors.

Edgerton Library: This partnership began with a meeting in early 2018 with Kirsten Almo, Edgerton Librarian, to learn about her WISH list! Since that meeting, G4K has checked many things off Kirsten's list. Most recently covering the expense of new launchpads, new talking books as well as crafting supplies needed for the weekly activity packets that are enormously popular!

Birthday Club: This G4K program provides ECO food pantry clients with all the birthday supplies needed to make their child's birthday special!

Edgerton Teen Center: Partners since 2015 G4K has played a large role in supporting many Teen Center Projects. Most recently covering the expense to sponsor 5 gravity racers plus \$250 in bottled water!

Care Closet: With help from G4K each school in the Edgerton School District has a Care Closet supplied with personal care products, clothing, granola bars, snack items & school supplies.

Youth Assistance: This program puts in place a process for ECO & school social workers to request funds via G4K for various reasons, such as winter clothing, shoes, boots or other essential items.

Silverwood Park: Forming a partnership in 2015, G4K has donated towards many child focused activities including the Silverwood Children's Nature Trail. Most recently covering the cost to install a children's mud kitchen complete with sand & benches.

Easter Baskets: A ECO program supported by G4K since 2018! G4K provides all the goodies so every child receives a Easter basket full of fun!
