Most needed items include:

**Larger Valued Toys, Family Games,
Art Supplies & Craft Projects.**

Gifts For Kids Programs & Activities

G4K Christmas Distribution: Edgerton families that participate in the G4K Christmas distribution receive gift items for their children birth to 4th grade plus a family care bag (filled with items that are often left off the family shopping list at Christmastime). G4K's goal is to make sure every Edgerton child has a merry & bright Christmas filled with joy! The Giving Tree (a ECO program) is designed for children 5th to 12th grade. **Sign up NOW at Edgerton Outreach / 106 South Main / Edgerton.**

Weekend & Summer Grub Club (WGC): Gifts For Kids continues to support child-focused food programs like WGC since donating \$2400 when the program launched in 2018. The WGC provides children with food in the summer & during the school year on the weekends thanks to our leaders, volunteers & donors.

Edgerton Library: Partners since 2018, G4K continues to check items off the Library's "wish list" and continues to support children's programming such as the dinosaur program from Dino Dimensions! In 2022 (when monarchs were added to the IUCN endanger species list), G4K founded the monarch station at the Library. This hands on program runs yearly from early June until late August which allows children & adults alike to learn all about our monarch friends & view the metamorphosis up close! To date 135 monarchs have been released from our local Library. G4K also supports the summer reading program & the Home for the Holiday Celebration!

Birthday Club: This G4K program with sign up at ECO provides anyone in need with all the birthday supplies needed to make their child's birthday special!

Edgerton Teen Center: Partners since 2015, G4K has played a large role in supporting many Teen Center Projects. This year G4K donated towards the needed roof repair, theme nights, indoor mini golf course/pond and an upcoming donation of a new teen center game or 2!

Care Closet: With help from G4K, each school in the Edgerton School District has a Care Closet supplied with personal care products, clothing, snacks & school supplies.

Youth Assistance: This program puts in place a process for ECO & school social workers to request funds via G4K for various reasons, such as winter clothing, shoes, boots or other essential items.

Silverwood Park: Forming a partnership in 2015, G4K has donated towards many child focused activities including the Children's Nature Trail & Mud Kitchen. G4K also supports the Silverwood Park Summer School & covers the expense of the kayak unit.

Easter Baskets: A ECO program supported by G4K since 2018! G4K provides all the goodies so every child receives a Easter basket full of fun!
